Tessa McKenzie (one - year term)

Tessa moved to The Fan from Portland, OR in 2012 for a position in epidemiology at the Virginia Department of Health. She recently started a new job at United Way where she is leads an open data strategy across the Richmond metropolitan public school system to help measure progress and to promote education equity. Tessa is very active in the Richmond community around using data to tell a community's story and to inform decision-makers on community need. She prefers the Fan in Richmond because of its unique historic feel, its access to green space, and its friendly neighborliness. She's a regular at Strawberry Market, Scuffletown Park and Red Cap Patisserie and often found porch-sitting on W Grace St with her Wheaten Terrier and housemate, Matthew Stanley.

Shelley Worsham, in-coming Communications Chair

Shelley is a native of Richmond, VA and moved to the Fan District in 2015. She studied biology at Howard University, but currently works as a graphic and web designer at her own company. She is passionate about equality in education and giving back to the community through service projects and currently serves as Communications Chair for Fox PTA.

Shannan Hillier, in-coming Membership Chair

Shannan moved back to her home town of Richmond in 2008, after long stints in Charlotte and Manhattan. Shannan has been an active supporter of the FDA, serving twice as a Holiday House Tour House Captain, co-chairing the Tour volunteers two years in a row and again next year, and currently assisting with FDA membership. Through her neighborhood connections, she is also now working in sales for Atrium, a neighbor owned company.
