

FANFARE

Fanfare is distributed three times yearly by the Fan District Association (FDA) to over 1,000 residents of the Fan through postal mail, e-mail, and pick-up locations such as Starbucks and Strawberry Street Café.

Most FDA members are homeowners who care about the maintenance and enhancement of their home. They enjoy the many Fan restaurants within walking distance, and they frequent local markets for food, flowers, and gifts. They often need pet care, a Realtor, and legal or financial advice.

By advertising in *Fanfare* or on Fandistrict.org, you are reaching this key group of consumers who choose to do business with people and organizations they know, like, and trust.

- You may pick the ad content and size for each issue of *Fanfare*. **A limited amount of advertising is** available each year on a first-come, first-serve basis. We try to dedicate no more than 30% of the space in *Fanfare* to advertising, so that each business really gets attention.
- Currently, only one banner ad size (150 pixels high and 600 pixels wide) is available on the website. Only two advertisers will rotate in each of the four positions, so advertising is **limited to 8 advertisers**. We wanted to keep the site clutter free, so our users want to return to the site often.
- The FDA weekly E-newsletter is successfully delivered to over 800 email addresses each week, with an open rate varying between 350 and 450 per email. This is an opening rate approximately 100% higher than the industry average. The weekly E-newsletter is a weekly email which announces upcoming and timely Fan happenings, both art-related, community-related, and safety-related. Advertising opportunities are available in the weekly E-newsletter, with dimensions not to exceed 150 pixels high and 600 pixels wide.

FDA E-newsletter advertising: \$100 per email blast, only one blast is sent per week and only one ad will be placed in each email

- We encourage advertisers to include an offer to increase their response rate. Also, studies have shown that consumers begin to respond to a new product or service once they have been exposed to an advertising message at least 3 times, so we encourage (but don't require) our advertisers to run for an extended period of time by offering **substantial discounts** for long-term contracts.
- **The first 12 advertisers to place contracts of \$500 or more** will receive a free "Getting to Know You" article about your business in an upcoming issue of *Fanfare*. Our readers love these articles! (pre-payment required)
- If you are interested in a long-term contract for both print and online advertising, additional discounts may apply. Ask the advertising representative for details.
- Qualifying nonprofit organizations are eligible for a 15% discount from posted rates. Documentation of nonprofit status must be provided in advance.

To advertise, please complete the forms that follow and return them with payment in full.
